## BATTLESHIP IONA.

ONE RESULT OF HER ACTIVITY IN THE SPANISH WAR.

An Experience of One of Bob Evans' Marine Engineers—A Direct Legacy of the Days of Action.

The part played by the U. S. battleship Iona at Santiago and elsewhere in West Indian waters during the Spanish war, is well known. People, however, hardly dream of some of the far-reaching consequences of the discipline which had then to be maintained.

One of the brave men aboard the Iona bore about with him for several years a very unpleasant reminder of his service on that famous ship. This man is Mr. George E. Parquette, now residing at 3346 Sixth avenue, Troy, N. Y., who was marine engineer on the Iona when, under command of Captain Bob Evans, she was performing brilliant exploits in battle and in filibuster-chasing in Cuban and Porto Rican waters. Of those stirring times Mr. Parquette says:

"Whenever we were expecting an engagement our meals were very uncertain, and, when we did eat, we had to be minute men. The constant anxiety and haste affected my stomach and put it in a very bad condition which lasted for four years notwithstanding the fact that I was under a doctor's care. I could scarcely keep anything on my stomach and I suffered greatly from steady pains in the lower part of it. My appetite, too, was very poor and for four months I was in bed.

"Other troubles developed. I had severe headaches, and at times I felt as if something was clutching at my heart. My blood got out of order and I had fever and coughing spells. My stomach finally became so bad that I do not think it could possibly have been worse when, in the fall of 1903, I first heard of Dr. Williams' Pink Pills for Pale People, and began the course of treatment which gave me surprising relief at once and finally cured me."

Dr. Williams' Pink Pills agree with the most delicate stomach and create an appetite. They put the stomach in a condition to digest the food and insure its proper assimilation. They expel poisons from the blood and they rapidly build up weakened constitutions and give new vitality to overworked nerves. They are sold by all druggists throughout the world.

## HOW TO SPEND SUNDAY PRACTICALLY

A great many people enjoy a mountain drive or a visit to the beach on Sunday. Tantalus is the most popular Sunday drive and Waikiki the only popular seaside drive and lounging place. It is well that, in tomorrow's pleasures, an eye should be kept to what may be of great and lasting benefit to yourself and the members of your family.

Amongst the nice residences on Tantalus, one of the choicest in commanding position, easy of access and well cultivated, is the lot owned by the Estate of the late W. L. Wilcox.

Good property at Waikiki, fronting on the sea, is very hard to obtain, but an unusual opportunity to get one or two very desirable pieces, is offered in the lots owned by the estate of W. L. Wilcox.

One of the lots has a frontage of over 95 feet on the beach, and a depth of 169.6 feet.  
Large lanais and dwellings on the property make it an ideal seaside home. Then adjoining this lot on the Waikiki side is one of the most truly seaside pieces of property in the vicinity.

A large frontage of 221 feet on the beach, of 176 feet depth and a rear boundary on the main Government road, make this a fine lot for a large seaside residence, or sufficient to be divided into two good lots. The sale of all this property takes place at Morgan's auction room, 847 Kaahumanu street, on Monday, August 1st next, and it is now up to you to visit these properties to-morrow, consider what you can afford to pay for any or all of them and do not fail to attend the auction sale Monday.

CHRONIC DIARRHOEA.—For several years during the summer months I have been subject to looseness of the bowels, which quickly ran into a very bad diarrhoea and this trouble was frequently accompanied with severe pain and cramps. I used to call on doctors for my trouble but it became so regular a summer affliction that in my search for relief, I became acquainted with Chamberlain's Colic, Cholera and Diarrhoea Remedy, which proved so effective and so prompt that I came to rely exclusively upon it, and what also happily surprised me was that while it almost instantly relieved the cramps and stopped the diarrhoea, it never caused constipation. I always take a bottle of it with me when traveling. H. C. Hartman, Anamosa, Iowa, U. S. A. For sale by all dealers and druggists. Benson, Smith & Co., Ltd., agents for Hawaii.

### FOURSOME AT MOANALUA LINKS

The Honolulu Golf Club held their second competition this season at Moanalua Golf Links on the 24th inst. A goodly number of members turned out to play, to the number of sixteen.

This, the first foursome competition of the season of 1904, was won after an exciting and interesting game by Prince Cupid partnered by Donald Ross, who beat Robert Anderson, partnered by J. L. Cockburn, by three up and two to play. Cupid and Ross won the prizes presented by the club, a silver cup and a clock. Anderson and Cockburn coming in for the sweepstake.

Those who entered for the competition besides the four above mentioned were: D. W. Anderson, A. W. L. Bottomley, D. Glass, A. Garvie, W. T. Greig, A. Guila, M. R. Jamieson, J. C. McGill, J. M. Mackinnon, E. C. Muma, Judge Mahanui, H. B. Sinclair.

All the members were delighted to find the course in the pink of condition thanks to the untiring energy of Donald McIntyre who takes pride in making this course the finest in the Islands. Judge Mahanui remarked that it was away ahead of any of the other courses even of Waialua. The golfers returned to town in the late afternoon well pleased with their sport and very grateful to Mr. Damon for the privilege they enjoy as a club in being permitted to play over Moanalua golf course.

## GOLF CHAMPIONSHIP OF MANOA CLUB

The first handicap competition of the Manoa Golf Club begins at 2 o'clock this afternoon. At that hour the first drawing will take place and it is hoped that as many as possible will get ready to start then. For the convenience of members unavoidably detained a second drawing will be held at 3 o'clock.

It is expected that there will be 40 or 50 contestants, the competition being confined to members. The first 16 of those entered and playing will on Sunday contest for the championship of the club, the order of listing them to be determined by the scores without the handicaps. Of those taking part in this second competition, the first five in order of scores will be posted as the five champions of the club. Then anyone ambitious of a place on the championship list will have to challenge the champion having the lowest score. Two prizes will be given in the first competition. An entrance fee of fifty cents will be charged.

As soon as the gentlemen's championship list has been started, a ladies' championship competition will be held.

## H. A. C. VS. P. A. C.; MAILE VS. KAMS

Today's baseball games at the League Park will bring the H. A. C.'s and the Punahous together in the first game, and the Mailes and Kams in the second game.

The first game will be full of interest, as Castle, in his second game, should do some excellent pitching and will know his team mates better. With the Punahous brushing up better in their batting, some good playing can be expected.

The Maile-Kam game is expected to be a hot one. The Mailes are putting up a first class exhibition of ball playing this season, and the Kams are always to be depended on to furnish excitement for the crowd.
